

## NOTICE OF PUBLIC INFORMATION CENTRE (PIC)

### Proposed Salt / Sand Storage Facility Majestic Hills Drive, Hamilton Township Engineering and Project Management Services

#### The Study

Planmac Engineering Inc. (Planmac) has been retained by The Township of Hamilton to undertake engineering and project management services for the design-build of a new salt / sand storage facility located on Majestic Hills Drive in the Town of Cobourg. The proposed site location is shown on the Key Plan.

#### The Process

Design alternatives were reviewed by Planmac based upon technical and environmental factors and consultation with the Township. This included assessment of foundations, pavement designs, noise mitigation measures, drainage, and electrical / lighting, along with the size and storage capacity of the new facility. The purpose of this PIC is to present the preferred alternative selected following the above assessments and study process.

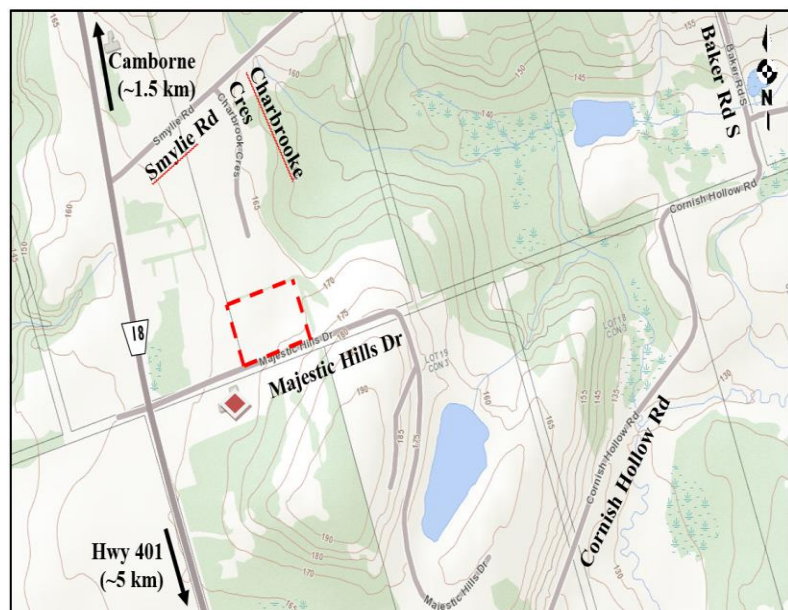

The PIC will be an informal drop in format, during which time the applicable study material and display boards will be available to view. Representatives of the Project Team will be on hand to answer individual questions in a one-on-one format, pertaining to the project. Members of the public and stakeholders are invited to attend the PIC to be held as follows:

**Date:** June 7, 2018  
**Time:** 5:00pm - 7:00pm  
**Venue:** Hamilton Township Municipal Office, 8285 Majestic Hills Drive, Cobourg, Ontario, K9A 4J7 (Displayed on Key Map)

Public consultation is vital and key to the success of the study and the Township wants to ensure that anyone interested can get involved and provide input. Therefore, you are encouraged to attend the PIC to review the display boards and provide input to the Project Team representatives in attendance. Public input and comments on the project would be appreciated by June 8, 2018 and can be sent to either of the Contacts listed below.
