Camborne, ON – Staff Announcement

A milestone was achieved yesterday by a member of our Public Works Department.

After over 27 years with the Township of Hamilton, Bill Greer, has decided to retire. He has seen considerable changes over his time with the Township and has many memories working here. He said “I never had a negative experience or confrontation with anyone”. Bill was truly a valued colleague and very positive ambassador for the Township.

While we will miss him – and his extensive experience - we do wish him well in his retirement.
